

No Place  
on  
Earth

The image features the text "No Place on Earth" in a white, cursive, outlined font. The text is arranged in three lines: "No Place" on the top line, "on" on the middle line, and "Earth" on the bottom line. The word "No" is significantly larger than the other words. The entire text is centered on a white background. Above the top line and below the bottom line, there are three short, radiating lines on each side, resembling a sunburst or a decorative flourish.
